KENYA

Ethnic divisions account for many of Kenya's problems. Bordering the Indian Ocean, between Somalia and Tanzania, Kenya is slightly more than twice the size of Nevada. English and Kiswahili are the official languages. Gold, rubies, and garnets are among its natural resources. Rich in artisans, a large majority of Kenyans are Christians. Share our efforts towards cultural enrichment with the purchase of their handmade products.

RWANDAN ARTS & Crafts

These are arts and crafts created by Rwandan orphans in the Christian organization, HOSTA. The children of HOSTA make these wood sculptures in the tradition which has been passed down through the years. What a joy it is to see such beautiful handiwork created by innocent hands. Many people purchase the bags, cards, and wood work. Frame them, place them on your desks or walls, They are a great gift to give.
